Over 800 adults (children were not counted) saw the first Hibiscus show of the season in Fort Myers on June 18th. This was the eleventh annual "Know Your Hibiscus Show" of the James E. Hendry Chapter.

The show was beautifully staged with special attention given to a huge board of named varieties across the back of the hall. Above the board was spelled out "Know Your Hibiscus" in red blooms. There were literally hundreds of bloom placed on the board with the names under each bloom.

Sixty-nine amateur growers entered 778 bloom and 11 commercial growers entered 388 bloom. There were also 56 new seedlings entered.

The best commercial bloom was a seedling grown by Floton's in Miami. The best amateur bloom was won by R. A. Bowman of Daytona Beach with a "Pauline Massengill". Due to an error in entry a duplicate award for amateur best bloom was awarded to the Ft. Myers Tropical Gardens for a "Marguerite".

The best commercial single bloom was a "Winn Dooxsee" grown by Trail Nursery. The Trail Nursery also grew the best commercial double bloom, "Picardy" and the Trail Nursery also took the Sweepstakes award in the commercial section.

The amateur sweepstakes award was won by Mrs. L. T. King of Vero Beach, Florida.

Gold Seal awards were won by: H. E. Shaffer (8) with "Pom Pom White", "Cadenza", "California Gold", "Mt. Everest", "Clara Moore", "Kanakanak Girl", "Jim Hendry" and "Bruce Parnell"; Bill Cutler (1) a new seedling; Henry Wick (1) with "Barbara Ann"; Harry Goulding (1) with "Con-fu-tsi"; Mrs. L. T. King (3)
